

Group Critical Illness Insurance

You can count on Aflac to help ease the financial impact of surviving a critical illness.

A serious health problem isn't something you plan for. Yet critical and chronic illnesses can be more common – and more expensive – than you might realize. Aflac Group Critical Illness insurance pays benefits to help with treatment and recovery expenses when your plans are disrupted by a serious health problem. We help take care of the expenses health insurance doesn't cover so you can take care of yourself.

Help ensure you have the money to cover out-of-pocket expenses such as:

- transportation to a distant medical facility.
- specialized treatment costs.
- living expenses like rent and utility bills.

It's insurance for daily living

Aflac pays cash benefits directly to you, unless otherwise assigned. This means that you will have added financial resources to help with medical costs or ongoing living expenses. Aflac group critical illness insurance plans are designed to provide a lump-sum benefit for a covered critical illness.
