

Welcome to Luminare Health

Luminare Health is one of the nation's largest independent health benefits administrators, serving over 1.3 million members. We've been providing benefits to our members for over 40 years and continuously strive to deliver personal service and enhanced member experience.

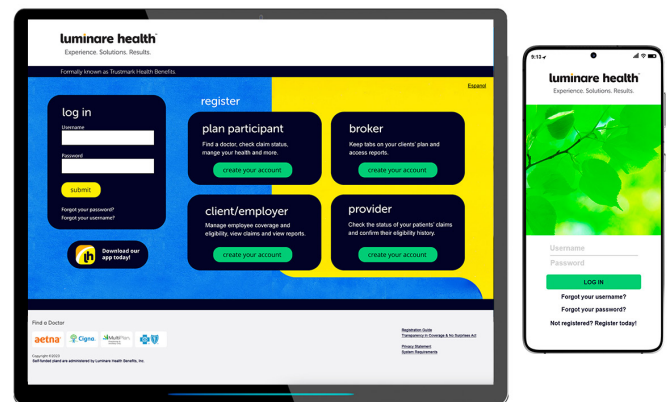

We're the administrator for your health benefits plan, managing all administrative aspects including claim processing, fee negotiation and eligibility. We work with a variety of PPO networks, such as Anthem, to offer access to discounted provider services and get you the medical care you need.

Luminare Health also offers wellness and advocacy programs that help you manage your health, identify cost savings and navigate the healthcare system.
