

The updated Inspira Mobile® app is coming soon

An updated version of the Inspira Mobile® app is launching in June. Your employees will benefit from a more intuitive mobile experience, driven by strategic investments and enhancements informed by user feedback.

Key details

- ✓ Users will need to update the app when prompted.
- ✓ Users will receive in-app and push alert notifications.
- ✓ This is a rolling update; enhancements will continue to be added in waves throughout the year and into 2027.

What's new

Easier authentication and onboarding

The updated app offers simplified login, onboarding, and profile settings that make it easy for accountholders to get started and stay connected.

All-in-one view

A modern dashboard where users can see balances, transactions, and account details all in one place.

Faster claims and payments

Simple tools to submit, edit, track, and reimburse claims — including photo capture, scanning technology, and easy linking to bank accounts.

Streamlined navigation

Clean snapshots and intuitive next steps allow users to find what they're looking for when they need it.

As a reminder, a [toolkit](#) of resources is available to help inform and educate your employees on the mobile app updates.
